

# **SURF COAST FOOTBALL CLUB**

## **Member Benefits Program 2024**

### **Introduction:**

The Surf Coast Football Club is proud to introduce its annual member benefits program to all members and their families for the 2024 season.

Together with its partners the club is aiming to provide its members with exclusive access to benefits and offers provided by our club partners. Our goal is to create a value exchange between members and the club's partners, so all members receive more from being part of the Surf Coast Football Club.

Every member will receive one member card for the 2024 season (one card per family, i.e. if you have multiple family members registered, the family will receive one card only). The club will distribute the cards in the coming weeks via coaches of your teams - please watch out for club communications.

The member benefits program is based on honesty and closely aligned with our club's values. We appreciate it if you do not pass the card on to friends for the purpose of accessing our partners' offers. We are working on non playing supporter memberships, and will update you when those memberships are open and can be purchased from the club - these supporter memberships will also get access to the Member Benefits Program.

### **Tip:**

Please print the Member Benefits overview pages and attach it to your fridge so you always know which discounts and offers our awesome partners provide.
